## CAREER OBJECTIVE

To utilize skills in programming, web development and to deliver innovative IT solutions. Proficient in C, Java, HTML, CSS, JavaScript, and SQL, with experience in projects like a Concrete Mix Design Web Application, I aim to contribute efficiently and creatively to organizational goals.

## WORK EXPERIENCE

**Web Development • Internship**  
Intellise It, Solapur

Aug 2022 - Oct 2022

Built a visually appealing portfolio website to showcase skills, projects, and professional experiences, delivering an engaging user experience. Integrated responsive design principles to ensure cross-device compatibility and enhance accessibility. Collaborated with mentors to refine the design, implement advanced functionalities, and optimize usability. Utilized a tech stack of HTML, CSS, JavaScript, Bootstrap, Figma, and MySQL to develop and maintain the website.

## EDUCATION

**B.Tech,**  
Walchand Institute Of Technology ( W.I.T )  
CGPA: 8.81/10

2021 - 2025

**B.Tech,**  
Walchand Institute Of Technology ( W.I.T )

2021 - 2024

**Senior Secondary (XII), Maharashtra State Board Of Secondary And Higher Secondary Education**  
Science  
Sangmeshwar College Of Arts And Science  
Percentage: 92.00%

2021

## TRAININGS / CERTIFICATIONS

**Web Development (Frontend)**  
Jun 2023 - Sep 2024  
Intellise It, Solapur

**C Programming, DSA**  
Sep 2022 - Nov 2024  
Intellise It, Solapur

## PROJECTS

**Task Management Web App**  
Nov 2024 - Dec 2024  
A simple and interactive app allowing users to create, edit, delete, mark tasks as complete, and filter tasks by status, with a clean and responsive interface. Users can add, edit, delete, and mark tasks as completed Tasks can be filtered by status (All, Pending, Completed). The app uses PostgreSQL to store task data, ensuring persistent storage and efficient data management. It works seamlessly on both mobile and desktop.

**MINI DICTIONARY**  
Oct 2024  
Developed a user-friendly dictionary application that allows users to search for word definitions, with quick access and accurate results. Implemented a simple interface, search functionality, and efficient error handling to ensure smooth performance and enhance user experience. Tech Stack: HTML, JavaScript, Bootstrap, API.

**MUSIC PLAYER**  
Sep 2024 - Oct 2024  
Developed an interactive platform for browsing and playing songs, focusing on delivering a seamless and engaging user experience. Collaborated with a team to enhance functionality and optimize design, ensuring an intuitive interface and smooth music playback. Tech Stack: HTML, CSS, JavaScript

**CONCRETE MIX DESIGN WEB APPLICATION**  
Nov 2024 - Present  
Developing a Web app for calculating optimal concrete mix proportions, assisting in material selection and ensuring compliance with industry standards. Streamlined the concrete mix design process for civil engineers, enhancing accuracy and efficiency in construction projects. Tech Stack: HTML, CSS, JavaScript.

## SKILLS

- HTML
- Bootstrap
- C Programming
- Git
- WordPress
- PostgreSQL
- JavaScript
- Figma
- Java
- GitHub
- MS-Office
- Node.js
- CSS
- MySQL
- VS Code
- Problem Solving
- TypeScript
- Express.js

## ADDITIONAL DETAILS

- Certified in Data Structure and Algorithm
